SERVING THE MONTEREY PENINSULA INCLUDING FORT ORD

Vol. 28 No. 11, Wednesday, February 27, 1974 | 510 Broadway Seaside, Calif. 93955 Area Code 408: 394-6632 | 10 cents per copy; $5.00 per year by mail

MONTEREY COUNTY FREE LIBRARIES

Editorial

Citizens of Seaside are faced with one of the most monumental decisions in the history of Seaside, next Tuesday, when they go to the polls to cast their very important ballot for three candidates in the city election. (One for Mayor, and two for City Council.)

Just how important is this election?

In this day of crisis -- the energy crisis, Food crisis, lawlessness, unemployment, and local issues such as the location of the library, building of a health facility, the "K-Mart" project, attracting new business and industry to Seaside, location and construction of the new Post Office, it behooves every citizen to think carefully before making their cross on a ballot.

It behooves every citizen to carefully examine the candidates to determine who is best in a position to lead us out of this crisis. It behooves every citizen to get the emotions out of politics and deal with facts. Just because a persn is an associate or friend is no reason to cast a ballot for that person. You have to think of what is going to best suited for you as an indicidual. You have to think of what is best suited for your community, for your city,

Can that person relate and equate with all of the factions that comprise this city. Can that person represent the city across the nation in such a manner that will gain respect and cooperation for this city. Can that person relate with the officials of other cities, counties and state. Can that person develop the kind of respnse to pull members of other cities to our city. Can that person deal with big business to coerce them to bring a branch or headquarters to this city.

These questions, each citizen must ask himself, are questions that will determine whether you should or should not cast your ballot for this person.

You must ask yourself if we are in a position to gamble the future of Seaside with the person of your choice, for Seaside is rapidly becoming one of the most important cities on the Peninsula.

who are the candidates

Mayor B.J. Dolan, Jr., is running for re-election. Questions you should ask yourself are: Has he been a good Mayor during his term of office? Has he responded to the needs of the city? Has he represented the city with dignity? Is he truly devoted to the welfare of the majority of the citizens of the city? Should there be a change at this point in time, or should the Mayor be permitted to put into execution his program for Seaside? How does he stack up with other mayors of other cities? Can he represent this city in such a manner as to gain the complete cooperation from the other governments? Can he devote full time to the duties of a Mayor? Can he relate and equate with every component that makes up the city? If your answer is yes to the majority of these questions you should vote for his re-election.

Vice Mayor Stephen E. Ross. The same questions should be asked with reference to Mr. Ross as stated for the Mayor.

Hugh Bagley: One of the first questions that should be asked is: What has he done for the city or any factions of the city, then ask yourself the other questions.

The same questions should apply to the other candidates which include Mrs. Pearl M. Carey and any write-in candidates.

CITY COUNCIL CANDIDATES

Mrs. Billie Barton is seeking re-election along with Councilman Glen Olea. What are their records? Do they deserve your support? Have they been responsive to your needs? Should either of these be replaced?

Then there are Guillermo P. Bautista, a businessman; Henry Burney, Businessman; Berdine "Bud" Houser, Recreation Vehicle Salesmanager; Oscar C. Lawson, Management Consultant and Administrative Assistant to Roger Poyner; Leo Spiva, a general contractor; and Otis Ray Stevenson, an auto salesman.

These are your candidates. Study their platform and make your decision based on their community input and/or their abilities.

The most important of all is the fact that the decision you reach Tuesday will be the determining factor that will decide whether Seaside will move ahead or will retrogress. It is the most important decision you will have to face in 1974. It can either make or break the city.

Correct Address Necessary For Gas Rationing

More than a million California drivers may not get gasoline if their addresses are not up to date in the Department of Motor Vehicles computer, and mandatory gas rationing becomes a reality because of federal action, State Director of Motor Vechicles Robert Cozens warned recently.

Cozens estimated that from 10 to 20 percent of California's 12.6 million drivers license records show an incorrect address.

"If an address is incorrect, ration authorization documents will be returned to the Department," he said.

Under the federal rationing plan as outlined recently, the authorization card and drivers license would be used as indentification and authority to purchase gasoline ration coupons.

"It is imperative that the correct address be in our files. Drivers should notify the department of their new address as soon as possible after moving," he emphasized.

Change of address forms are available at all DMV offices and one pwrson can fill it out for all members of the family who live at the same address.

He will have to known the drivers license number of each person whose address is to be changed.

BUSINESS OF THE WEEK

The Seaside POST & News Sentinel visited PRINCIPAL MOTORS and talked with Rick Coleman, Top Salesman. Rick pointed out the many advantages of purchasing a car at this point in time. First, the prices are down on the bigger models, such as the Lincolns, Mark IVs and Mercurys because of the energy crisis. This emergency will be short lived, Rick said, and now is the time for citizens to save. However, he pointed out, if you want a gas saver, let me show you our new line of Capris and Panteras. PRINCIPAL MOTORS IS OPEN ON SUNDAYS, AND RICK COLEMAN IS NEAR AS YOUR TELEPHONE. When you go to PRINCIPAL MOTORS, 2 Heitzinger Plaza, Seaside, ask for Rick Coleman by name for a good deal.

Haddad May Withdraw Candidacy

In an exclusive interview with former Mayor Lou Haddad, the Post News-Sentinel learned that he is strongly considering dropping out of the Seaside Council race.

Haddad earlier announced that he was intending to be a write-in candidate for Councilman. He told the Post tat his primary reason for entering the race was to probide the electorate a wider range of choices in this election.

Asked why he was now considering withdrawing from the race, Haddad said that he ahs ha an opportunity to observe most of the candidates during the campaign and believed that this observation and his personal knowledge of others in the campaign satisfied him that there were a few well qualified candidates who he could support.

Asked to clarify this, Haddad stated that the incumbent mayor, B.J. Dolan has shown his dedication to the community by serving full time as its mayor. Although conceding that Dolan had his shortcomings, he believed that this observation and his personal knowledge of others in the campaign satisfied him that there were a few well qualified candidates who he could support.

Asked to clarify this, Haddad stated that the incumbent mayor, B.J. Dolan has shown his dedication to the community by serving full time as its mayor. Although conceding that Dolan had his shortcomings, he believed that the mayor has the potential to be Seaside's finest ever. Comparing his own first two years in office, Haddad said that Dolan's apprenticeship has been served, and that seaside would be making a grave mistake if the people didn't take advantage of his experience and re-elect him.

Concerning the council candidates, Haddad said that if he does withdraw from the race, he would probably support Councilman Glenn Olea and former Councilman Berdine "Bud" Houser. Asked why he preferred these two over incumbent Berdine Billie Barton, he stated that he has served with all three, and that Mrs. Barton, although loyal to Seaside, seldom came to a council meeting prepared. Her job in Salinas precludes her putting in the time necessary to do the job efficiently.

Olea, according to Haddad, does his homework, is dedicated to the community and methodical in his approach of the issues. Never controversial, Olea stands like the Rock of Gibraltar, steadfast in his service to the community.

Haddad like Houser's qualifications, which included four years as a councilman, several years service on the Planning Commission and the Redevelopment Agency. "This kind of experience is difficult to find, and this ability as well as his long time residency in the community makes him stand head and shoulders above others seeking the office", Haddad continued.

As for the matter of his withdrawal, Haddad stated that he will make up his mind by the end of the week.

Postal Rates Increase On Saturday

Postmaster Joe Cortes today reminded U.S. Postal Service customers that new postage rates will go into effect Saturday.

"Beginning March 2", Cortes said, "First Class Mail will be 10 cents per ounce, Airmail will be 13 cents and Post Cards will be eight cents.

The Postmaster also pointed out that mailers may purchase their new stamps by mail, saving time and a gasoline-consuming trip to the post office. These mail orders may be paid by check or money order.

Because of the shortage of paper for printing and the mammoth logistics job of providing official Postal Service stamps-by-mail order blanks to some 42,000 post offices, the new order forms may not be available to all locations in time for the rate change.

To assist the Postal Service, the Seaside Post News Sentinel is printing a public service notice containing a replica of the offical order form. It will be honored by the Seaside Post Office as official.

Higher operating costs were cited by the Postal Service as the reason for the rate increases, Cortes said.

The Postal Reorganization Act of 1970 transformed the old Post Office Department to the independent governmental agency named the U.S. Postal Service. In the Act, Congress required that postal rates and fees provide sufficient revenues so that the Postal Service gradually becomes supported by mail users instead of by the taxpaper.

The Act provides that "Postal rates shall be established to apportion the costs of all postal operations to all users of the mail on a fair and equitable basis".

It provided an independent Postal Rate Commission, appointed by the President, to determine postage rates. The Postal Service proposed increased rates to the Rate Commisssion last September, and scheduled their implementation on a temporary basis January 5.

Fireworks At Council Meeting

Last week's Seaside City Council provided a forum for all five members of the council to politic, according to one observer. All five are seeking office, three for the mayors seat.

Charges of "bypassing the council", and "political propaganda" permeated the atmosphere concerning one item on the agenda requested by Councilman Joe Cota. Cota charged that Mayor B. J. Dolan had bypassed the council when he requested the Planning Commission to serve on an advisory committee chaired by Councilman Stephen Ross. Councilwoman Billie Barton chimed in by stating that the issue involved was not a Planning Commission function; that the commissions job was restricted to land use matters, and that she felt that the mayor was using the commission as a political pawn.

The fireworks started when Dolan sent a memo to the Planning Commission asking the members to serve on the committee which he was authorized to appoint by council action at its last meeting. The committee, chaired by Ross was to investigate the feasibility of a multi-purpose building which could be located at the corner of Yosemite and Broadway, earlier recommendded to include the health and welfare offices presently housed at the county courtthouse annex.

Cota charged that Dolan was politically motivated, and in anseer to a question from Dolan whether or not he objected to the members of the Commission serving on the committee, replied "yes I object"

Councilman Glenn Olean supportted the mayors action, stating that he felt it was Council action which directed Dolan to appoint such a committee.

After the meeting, Dolan stated that he couldn't think of anybody more qualified to participate in the research project.

Under oral communications, former Mayor Loy Haddad admonished Cota and Barton for airing their differences in public when such action was against Rules of Procedure adopted by the Council a few years ago, and that the rightful place for personnel discussion (appointive and hired) was in a closed personel session.

Haddad also chided Mrs. Barton for stating that "the Planning Commission has no jurisdiction in this matter because land use was not involved." He said that if she and Cota both had done their homework they would have found that the issue is definitely a planning function, since the proposed use was not permitted under the zoning ordinance unless approved by the commission.

After the meeting, Haddad was overhead to remark that he felt that Cotas real motive for placing the issue on the agenda was because he (Cota) was seeking Dolans job, and wanted and opportunity to berate the mayor publicly.

Haddad further stated that that the meeting had all of the appearances of having been rigged beforehand, and was reminiscent of similar actions of members of the former council which the present council replaced in a hotly contested recall election in 1971.

PRINCIPAL MOTORS' Rick Colemanis New and Used Car salesman. Born in old Mexico on ranch, Rick came to Monterey Peninsula as a child and received formal education here. He entered Navy and continued his education through military schools. He has been selling cars all of his adult life. Rick is married and has an 11-year old son who is enrolled in school on peninsula. Rick, who fondly refers to himself as "A soldier in the army of love." is waiting to see you at Seaside's Ford, Mercury and Lincoln dealer -- Pincipal Motors.

Today's Army NEWS

BY

SSG R. Cardwell

ARMY RECRUITER

Hello everyone.

This week's article will be the last one written by me. I have been transferred to the U.S. Army Recruiting Station in Salinas. SFC. Garcia will be writing this article in the future. I wish to thank the readers of the Seaside POST-Sentinel for the wonderful comments that I've received and with much gratitude my sincere appreciations goes to the staff of the Seaside POST-Sentinel.

Have you seen a good movie lately? Some of today's best photographic work is being produced by bright, young imaginative people like yourself. Photography involves much more than just taking clear pictures. Photographers must have a good imagination, a keen eye for arranging attractive shots and the ability to put people at ease. The type of work a photographer does depends upon his area of specialization. Many professional photographers specialize in portrait, commercial or industrial photography. Others, such as photo-journalists, and scientific photographers, combine technical training with photographic skills.

Most photographers enter the field by working as trainees in commercial studios. Many others learn photographic skills while serving in the Armed Forces. A few colleges offer a two-year program leading to a certificate degree in photography. Several colleges offer photography majors leading to a bachelor's degree.

TODAY'S ARMY could be the place where it all can begin for you. Because of the advances in photographic technology, more and more business are utilizing photographic work. So, the training that you attained in TODAY'S ARMY could be beneficial to you for that annual salary that you are seeking. Come by our office located at 431 Webster St. in Monterey or call 372-4742/372-0553 and lets talk about it.

Enrollment Drop Means Job Losses In MPUSD

Close to 70 teachers will get notices next month that their jobs could be eliminated next year due to an enrollment drop in the Monterey Peninsula Unified School District.

That was the word given to district trustees at a special work session that preceeded the recent regular board meeting.

Supt James Harrison said school officials expect a drop in enrollment next year of nearly 1,000 students, which would bring the projected October enrollment down to less than 15,900 students. The loss of students would require a cutback in the number of teachers, he said.

Harrison recommended that about 56 teachers be put on notice by March 15 that their jobs might be eliminated next year. The superintendent said, however, that he expects fewer than 56 teachers will actually lose their jobs, because retirements and resignations in June should cover part of the cutback. Unofficially, about 20 retirements and resignations are known now, he said, and that number should grow slightly by the end of the year. Harrison also noted that fifth and sixth month enrollment figures could alter the picture somewhat. These sums will figure into the formula used to determine the number of teaching positions the district can eliminate, he explained.

Terminations will be made on the basis of seniority, Harrison said.

Mel Isenberger, business manager, told the board that the district would face a budget deficit of over $900,000 next year without acting to reduce the staff. Aloss of 56 teaching positions would cut the projected seficit to just over $100,000, he said.

State law requires that teachers be notified by March 15 if they may not be rehhired for the following year. Final notices must be delivered by May 15, and Harrison promised to do everything possible before that date to save as many jobs as he can.

The superintendent told the board he will discuss other ramifications of the enrollment loss at later meetings. These will include the possibility of adopting an early retirement system.

Seaside POST & News - Sentinel

Vol. 28 No. 11

The Seaside POST-News Sentinel, Monterey Publishing Company, 510 Broadway, Seaside, is a controlled circulated newspaper of General Circulation, reaching 15,000 homes in the Monterey Peninsula area.

Celebrating it's 27th year of circulation, the Seaside POST NewsSentinel services the communities by being an unbiased publication.

It's staff consists of: Thomas L Berkley, Publisher; Thomas Nash, Manager; Clintel Porter, Assistant Manager & Advertising Manager

The editorial policy to The Seaside POST Newspaper is expressed on the editorial page only, under the by-line of the Publisher, Attorney Thomas L. Berkley.

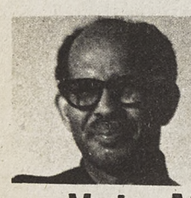
ELECT



LAWSON

for

SEASIDE

COUNCILMAN

Vote March 5, 1974

For Responsive and Responsible City Government

A Healthy Economy Compatible with our Environment

Lawson Says:

OSCAR LAWSON BELIEVES: **The Needs of Seaside are Many and They Must Be Met.**

"**PUBLIC TRANSPORTATION** must be of the highest priority, A Mini Bus inter city operation could have been a reality, if we had had the proper concern and care at the council level. I would support the Mini Bus idea and I would also recommend a reduced rate for our Senior Citizens and Students.

"**SEASIDE'S BEACH FRONTAGE** -- Seaside's small beach frontage of 489 feet belongs to the people of Seaside and should remain accessable to the public. I will oppose any and **ALL** attempts to option our beach frontage to developers.

"**OUR WATER PROBLEMS** -- All areas in our city should have water of good quality and quantity. I have attended most of the PUC water hearings held on the Peninsula and intend to follow them through to a successful conclusion. If it was determined, after a study of our ground water supply, that a dam was necessary, I would take a long hard loof at the method of financing same. (Just ask any Ord Terrace resident about water quality!).

"**LOCAL -- OPEN GOVERNMENT** -- Seaside had never known True Local government, and I strongly believe that Seaside should cut off, without further delay, the outside control of our government. Who really made the decision for us about the "out of the way" location of our library? And who again is trying to tell us where our Health-Welfare Building should be located (after our decision making body -- the council -- decided 4 to 1 where the people of Seaside wanted same located)??? I would work to have the Agenda published in a local Newspapaer prior to each meeting so that the citizens can be aware of "what's going on" and "what's coming off". (Before & not after the action). I make only this one promise... that every ounce of energy that I have will be directed to a single goal... to give our city a hardworking, fair and honest government that will make Seaside a safe, secure, beautiful and better city for all the people who live and pay taxes here."

STYLE-SETTER?

When picking up his two NAACP Image Awards for Male Singer of the Year and Best Record, Marvin Gaye ran up to the stage wearing his familiar blue stocking-cap with a white dinner jacket.

Road Work To Begin

The Realignment of Canyon Del Rey (State Highway 218) from Sonoma Avenue in Seaside to the Freeway (State Highway 1) will commence this week. The work should be completed by September 1, 1974.

The project will consist of construction of storm drainage, traffic signals, underground utiliteis, and landscaped islands, as well as the relocation of the existing intersection with Del Monte Boulevard approximately 200 feet south towards Monterey.

During the period the portion of State Highway 218 is closed between Del Monte Boulevard and the Freeway, Roberts Road around Roberts Lake will be used for detouring traffic.

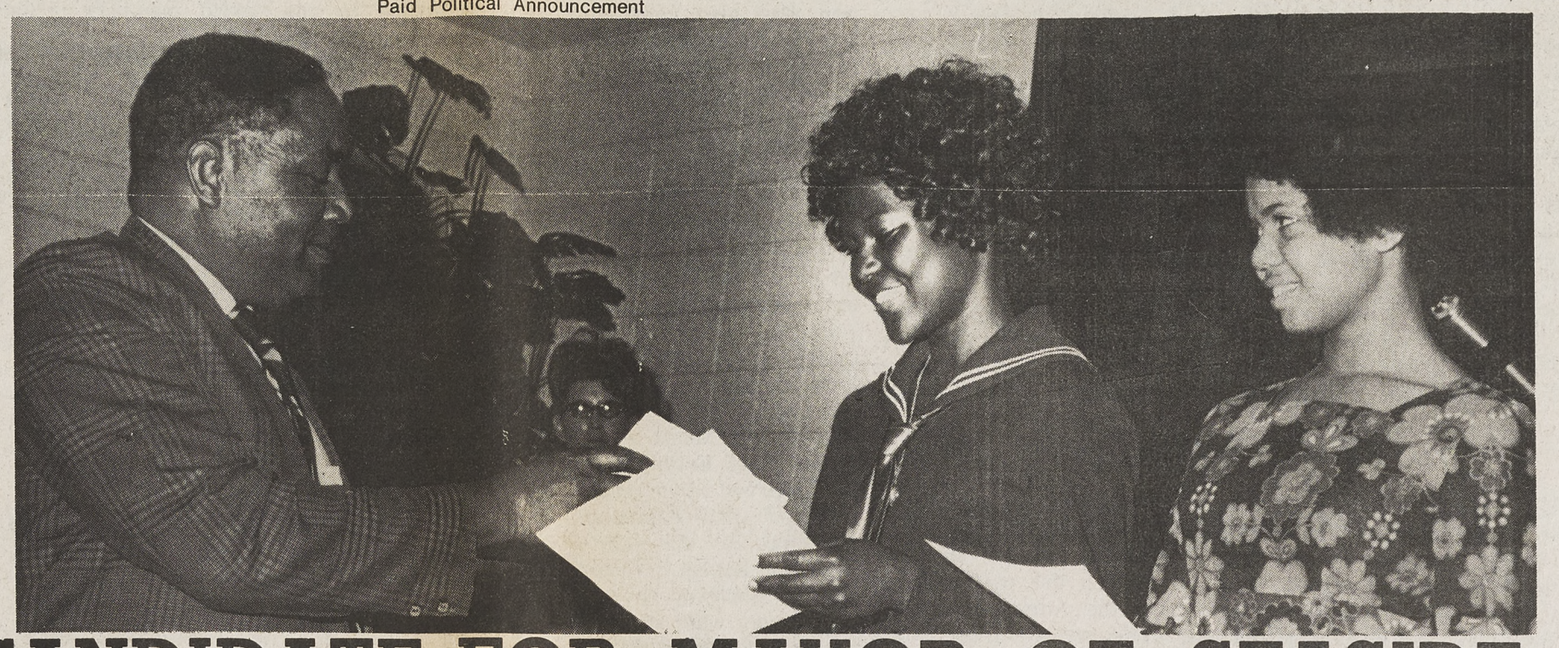
THE STEVE ROSS STORY



CANDIDATE FOR MAYOR OF SEASIDE

Statement of Goals and Objectives for Progress

The National trend in governmental affairs has placed greater responsibility on the office of MAYOR than ever before. That office is being held more and more responsible for the **total quality** of life that is afforded the people who live within a given city. This responsibility, of course, is shared by the Council.

Authority and delivery capabilities, however, have not been delegated to the office of Mayor to the same degree. Therefore, it takes a unique person, with the understanding, knowledge, ability, and **will** to get others to do things for the betterment of the community; especially when, in most cases, he has no authority to enforce compliance.

I believe that my varied, yet specialized background and experience have prepared me for such a task. I am coming to you, asking for a **chance** to demonstrate that ability.

If you elect me as your next MAYOR OF SEASIDE, I will devote the energy that God has entrusted to my care (both mental and physical), toward the accomplishment of the goals and objectives outlined below:

1. CONTINUE THE ORDERLY GROWTH OF OUR CITY, by completing the projects that are now underway.
2. Work to OPEN DOORS TO NEW JOBS AND CAREER OPPORTUNITIES in the **local area.**
3. DEVELOP A GOOD HEALTH AND MEDICAL DELIVERY SYSTEM within the city of Seaside.
4. PROVIDE THE BEST POSSIBLE ENVIRONMENT FOR THE PRIVATE BUSINESS people who are already located in Seaside.
5. BRING IN NEW INDUSTRY that will provide **meaningful employment**, yet be environmentally acceptable to the area.
6. PROMOTE BUSINESS AND PROPERTY OWNERSHIP by Seaside residents.
7. Work to MAKE OUR HOMES MORE SECURE AND OUR STREETS MORE SAFE; by **reducing crime**, and **building pride** and **confidence** in our neighborhoods.
8. PROMOTE the institution of FLEXIBLE HEIGHT AND REACH REQUIREMENTS FOR EMPLOYMENT, to insure realistic opportunities for Orientals, Mexican Americans, and especially Filipino Americans in this area.
9. IMPROVE THE QUALITY AND QUANTITY OF WATER, TRANSPORTATION, and other HUMAN COMFORT services.
10. HOLD PROPERTY TAXES DOWN TO A MINIMUM by producing a strong revenue base, and taking full advantage of other funding sources.
11. Work to IMPROVE THE QUALITY OF EDUCATION OF OUR CHILDREN, and more fully utilize our school facilities.
12. Work to DEVELOP A MULTI-CULTURAL CENTER in Seaside.
13. DEVELOP A COMPREHENSIVE SOCIAL SERVICE DELIVERY SYSTEM, that will provide better service to the **youth, seniors**, and all other citizens of our community.
14. PROMOTE GREATER HARMONY AND GOODWILL AMONG THE RACES.

NOTE: The above are not listed in order of assumed importance or preference.

AND OUR STREETS MORE SAFE, by reducing crime, and building pride and confidence in our neighborhoods.

The time has come when men can no longer sit back and wait to "let George do it" relative to crime and unrest within our community. Each and every family and family member must unite for its own protection and survival.

I saw an artistic, yet natural illustration of this on television recently; where a family of lions attacked a group of deer at supper time. The lions singled out the young deer and began to rush. The large group of deer bunched tightly together, with the antlered male deer enclosing the young and female deer. The lowered their heads in a defensive charge; and although the lions circled them, they stayed back.

However, when the adult deer tired and turned and fled, they left the younger ones exposed, and the lions closed in on them.

We shall do our best to foster unity among family units; cooperation between one family with another; unified coherence in each block; comradeship in each neighborhood; fusion of our entire city. In this way, we trully have "nothing to fear but fear itself." We can say to any individual or group, outlaw or gangster, that this is **our** city, **our** neighborhood; and we will have **no** undersireable elements in our community. In unity there is strength; and this strength will command the respect of all who come into our city.

We cannot leave the problem of crime totally to the police. Law enforcement agencies have a role and tasks to perform. But we must do our part in making their performance more effective.

Therefore, we shall pursue a course of action to reduce crime in the homes and in the streets of our community by every means possible; including the organization of block groups, community groups, and coalition with other organizations and/or public agencies to bring about the maximum pressure to reduce drug traffic, burglaries, and other attacks upon our community and the citizens therein. We shall call upon the police, the FBI, the Army, or whatever source that may be at our disposal to reduce, if not eliminate, this cancer within our city.

9. IMPROVE THE QUALITY AND QUANTITY OF WATER, TRANSPORTATION, and other HUMAN COMFORT services.

We are already doing some work to try to get the quality of water improved in Seaside. We have been meeting privately with experts in the field, including some from the county health department. Supervisor Branson, who is one of the foremost experts in the field of water in this county, as well as other individuals (including the water company) have made efforts to find out problem causes and find solutions and remedies.

As Mayor, I would be in a position to deal more directly with these problems; and we would pursue an effective course of action to better treat the supply of water to eliminate the impurities that adversely affect taste and stains in the water supply. Thus, we would examine filteration, chlorination, and other treatment processes that will yield a quality of water that will suit the citizens who consume that water at a high price.

The quantity of water is also a problem, and we will devote our energy toward this subject. Data has been gathered on this subject, and will be the center of some discussions with Mr. Branson.

We will also provide new direction to transportation in our areas. We will work to establish a transportation system within our city that meets the specific needs of our citizens. This inner system would link up with the JPA system that serves the total peninsula.

We would arrange to develop a small fleet of mini buses to serve this inner city system; and develop a pilot program, looking into the legality of involving the Community Relations Unit of the police department, especially during the late evening and early morning hours. This transportation system would be a "dial-a-car"-type operation. A schedule would be made, where individuals could call in and request transportation in advance. During the late hours, aforementioned, the Community Relations Unit would be called upon to provide this service; but these would be emergency/crisis situations only. Regular services would be provided seven days a week.

11. Work to IMPROVE THE QUALITY OF EDUCATION OF OUR CHILDREN, and more fully utilize our school facilities.

As Mayor of the city, we would advocate an interacial/multi-cultural education process for all students and teachers. By this, we mean that the present effort on the part of the Monterey Unified School District to promote understanding about the current plight and past contributions of our minorities has been profitable, and should be expanded.

Knowledge through information and exposure can overcome ignorance. The result can be a true appreciation for the ethnic/cultural heritages of all our citizens. Thus, **all** of our students, teachers, administrators, and key personnel -- Blacks, Filipinos, Browns, Caucasions, etc. -- should become familiar with the backgrounds of each other if the academic educational processes are to be effective.

This will not automatically come through integration and/or osmosis. A concentrated effort must be made, involving a well-planned curriculum, workshops, community forums, etc. to make this a reality in our city.

We are also interested in ideal benefits that could derive from a year-round school concept. At a time when taxes are at an all-time high, it concerns me to see school buildings and facilities sitting idle a significant portion of the year. For reasons of efficiency, I would like to see these facilities utilized year-round. My aim would be full use of all school and community resources to provide more adequate education for more children, youth, and adults.

The interest in year-round schools that combine school and community resources to better relate schooling to real life is not new. But our present-day need for using all available resources is new. So are the potential benefits of so doing.

7. Work to MAKE OUR HOMES MORE SECURE

Traffic/Bicycle Safety

I would also like to see a year-round Traffic Safety Awareness Program in our city, beginning with a program designed to make bicyclists (both young and old) aware of safe bicycling practices. It would be most helpful if each of us made our children aware of the problems and how to avoid them. I know we share a common concern for the safety of our children, as well as ourselves; thus, I solicit your help.

-- California Bicycly Accident Facts --

Over 64 percent of the fatal bicycle accidents occur on city streets.

Of the fatal bicycle accidents that occur on city streets, nearly 90 percent occur in posted speed zones under 35 m.p.h.

The majority (67 percent) of fatal bicycle accidents are caused by the bicyclist failing to yield the right-of-way to the motor vehicle.

In 83 percent of the fatal bicycle accidents, the bicyclist was determined to be at fault.

About 26 percent of the fatal bicycle accidents occur during light conditions other than daylight.

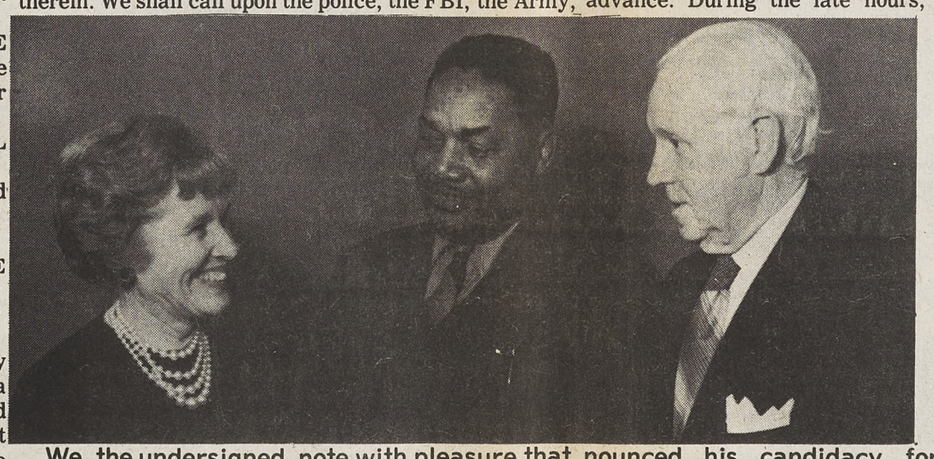
The majority (63 percent) of fatal bicycle accidents occur during the five-hour period between 2 p.m. and 7 p.m.

The risk of a bicyclist being involved in an accident is increased when the bicycle is out of proportion (too big) for the rider.

In over 70 percent of the accidents, either the motor vehicle driver did not see the bicyclist or the bicyclist did not see the motor vehicle.

The greatest number of fatalities for any five-year age grouping occur between ages 10-14, with an increasing number in the age groups 0-4 and 15-19 annually.

Two-thirds of the fatal bicycle accidents occurred when the bicyclists were traveling across traffic from driveways, intersections, or the sides of the road.



We, the undersigned, note with pleasure that Vice-Mayor STEPHEN E. ROSS has announced his candidacy for the office of MAYOR OF SEASIDE in 1974. We also hereby register our support or him for that office:

1973 United Fund Campaign Donation Was Record $252,311

The Monterey Peninsula United Fund awards dinner held recently was the occasion for the announcement by UF officials of the total contribution figures for the 1973 campaign, an all-time record high donation of $252,311. This amount exceeds the drive's projected goal of $250,000 and far exceeds last year's total of $232,200.

The dinner was also highlighted by the introduction of the 1974 UF officers by out-going President Roy Lassetter, Jr. His sucessor is Robert C. Pelz, vice president and manager of the Monterey branch of United California Bank. Pelz headed the campaign committee for the Fund's record-breaking drive in 1972.

Accepting the president's gavel, Pelz praised General Lassetter for his outstanding leadership during the past two years. "The general made my job that much easier in 1972, and it's going to be a real challenge to follow his accomplishments," Pelz said, "his excellent organization has greatly helped United Fund to function with tremendous efficiency, and the result is obvious, two years of record contributions."

Pelz and Lassetter joined in their congratulations to Arnold Green, the 1973 campaign chairman, for his dedicated work and record achievement. Mrs. Myrtle Youngman of Volunteers in Action was also congratulated for her organization's help in distributing thousands of campaign letters and pledge cards throughout the peninsula. Mr. Dace Durby represented Pacific Telephone's Communications Workers of America, who received an award for the largest employee contribution in United Fund's history, totaling some $10,800.

Other officers for 1974 are James Glaser, president of Del Monte Properties' Real Estate Division, who will serve as vice president and campaign chairman for this year's drive and Robert C. Littlefield of Monterey Savings and Loan, who was re-elected Secretary-Treasurer.

Re-appointees to the Board of Directors are Mrs. Pearl Carey, Richard Gifford, Terry McCleery and Victor Vaughan. New board members include: Lt. Col. Harold Manson, Tom Hawley, Wilfred Tosch, Richard Catlin, Bud Allen, John Bohlhman, Ed Fisher, and Marty Irwin, Jr.

Student Wins $500 Acting Award

Bill Johnson, Monterey Peninsula College's "Jack Jefferson" in the theatre production of Howard Sackler's "Great White Hope," has won the $500 Irene Ryan Acting Award and an opportunity to compete against 12 other contestants for national honors.

Johnson, 24, the son of Mr. and Mrs. David Bulter of Pacific Grove, will compete in April in Washington, D.C. for a $2,000 Irene Ryan Acting Award. He said he plans to present the "Juarez Scene" from the "Great White Hope" and a "Horace Vanderguild" soliloquy to the audience from Thornton Wilder's play "The Matchmaker."

Marlene Augustine will attend the Washington competition with Johnson and play the part of "Ellie Bachman," the boxer's mistress-wife, in the competition. Ms. Augustine was also a competitor in the Sacramento preliminaries based on her role as "Bunny Shangnesse" in the MPC production of "House of Blue Leaves."

The actor Johnson and Ms. Augustine were two of five California students to be nominated for the Region One preliminaries of the American College Theatre Festival competition.

Morgan Stock, MPC drama department chairman, said the nominations "reflect favorably on the department because the other three nominees were students attending four-year colleges and universities."

Johnson was born and raised on the peninsula and attended Pacific Grove schools. He became interested in drama while attending Seaside High School and has been active in play productions in high school and in the military service.

A Freshman student at MPC, Johnson plans to complete another year of college and then accept an invitation to compete for a position in San Francisco's American Conservatory Theatre.

Obituaries

Salvador Rano Mamon Jr.

Salvador R. Mamon Jr. of Seaside, Feb. 15, 1974. Beloved son of Mr. and Mrs. Fedencio Sebarrotin of Seaside; loving brother of Henry Mamon, Kenneth Mamon, Rogilio Mamon, Eleanor Olalia and Nenita Mamon, all of Seaside. A native of Manila, Philippine Islands, age 23 years.

TALK IS EVEN CHEAPER BEFORE 8 A.M.

For less than $1, plus tax, when you dial direct without Operator assistance, you can talk to anywhere within California for 6 minutes, or New York for 4 minutes. (And remember, it's later in the day back East.)

These low Dial Direct rates are in effect between 11 at night and 8 in the morning. And, if you talk longer, extra minutes are at the lowest rates too.

Dial Direct rates do *not* apply on person, collect, credit card, hotel guest calls, calls charged to another number, or calls over 40 miles placed from coin phones.

The same low Dial Direct rates *do* apply on Operator-assisted station calls placed from communities where long distance calls cannot be dialed direct.

Pacific Telephone

Dental Health Is Called 'Crucial'

Control of dental disease in formative years if "crucial," State Health Director Dr. William Mayer said recently, noting that this is National Children's Dental Health Week.

"Sex appeal and super-flavors in toothpaste are touted on TV as one answer to dental problems but early training in oral hygiene is the crucial factor in preventing decay and tooth loss in children," Dr. Mayer said.

"Parents used to be more demanding about how often and how well their children brushed their teeth, and the schools followed up with good oral hygiene programs. Today, I'm afraid that we and our children pay more attention to the TV commercials for glamor tooth polishes and products that make dentures more bearable."

Dr. Mayer said "dental science has given us the tools to prevent nearly all dental diseases through plaque control, fluoridation and topical fluoride programs." Plaque control consists of proper brushing, flossing and irrigating of teeth and gums to prevent formation of destructive bateria, he said.

More than seven years ago a national health survey showed that in California 2.2 million people had no natural teeth, the health director said. And a more recent study of decayed, missing and filled teeth in Santa Clara County showed that 65 percent of children in kindergarten through the sixth grade needed dental care.

"With these kind of statistics, the need is plain for more common sense talk about every-day attention to good oral hygiene in our children," Dr. Mayer said.

"A few minutes of work each day with the right kind of tools could prevent a lifetime of misery."

Announces Grants To Colleges

"Six institutions of higher education in our area will receive $38,227 in Federal aid from the Department of Health, Education, and Welfare, Office of Education, to service 85 students," announced Congressman Burt L. Talcott, in Washington, D.C. recently.

The institutions receiving funds are as follows:

Bethany Bible College in Santa Cruz, $2,591 for 35 students; California Polytechnical Institute in San Luis Obispo, $15,898 for 35 students; Hartnell Community College in Salinas, $1,174 for 3 students; Monterey Institute of Foreign Studies in Monterey, $5,565 for 12 students; Monterey Peninsula College in Monterey, $1,657 for 4 students; University of California at Santa Cruz, $11,342 for 25 students.

"Federal funds will provide 90 percent of the capital contributions to the National Direct Student Loan Program funds and matching institutional contributions will provide the remaining 10 percent," added Mr. Talcott.

Free Exams Will Be Given To 430 In County

About 430 persons aged 1-74 years from Monterey County will receive health and nutrition examinations in a study beginning March 9, by the National Center for Health Statistics, Health Resources Administration, U.S. Public Health Service.

The examining program is part of a nationwide sampling study of young persons and adults by the Health and Nutrition Examination Survey of the Public Health Service. The Survey will examine a representative sample of the U.S. population to collect uniform ftatistical information on selected chronic conditions and related health care needs among adults and to assess the nutritional status of Americans ages 1-74 years. The activity is a part of the National Health Survey authorized by Congress.

Persons to be examined in the Survey will be chosen by a scientific sampling process from among the population of the one county.

Senior Citizens Attend State Conference

A carload of retired persons from Monterey County attended the huge Senior Citizens Meeting on February 19, in Sacramento. It was arranged by the California Legislative Council for Older Americans.

The meeting took place in the vast Auditorium of the State Capitol. Seniors from throughout the State, as far away as San Diego, attended.

Among those present from the Peninsula were George and Catherine Herman of Marina and Morton Balch, a past president of the AARP.

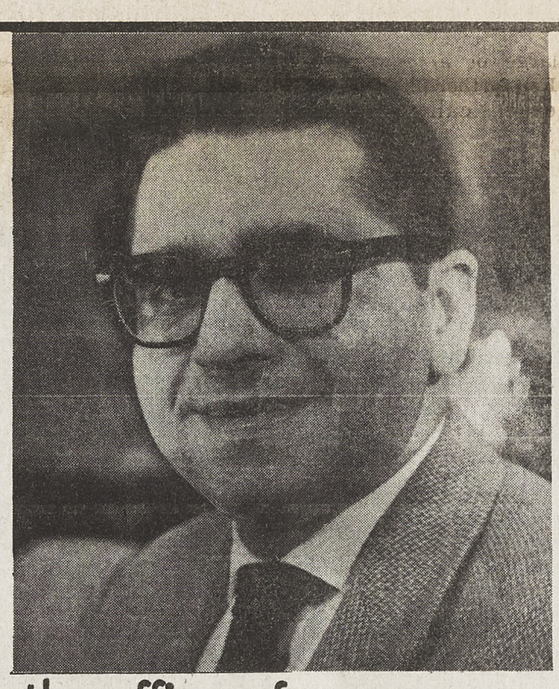
ELECT

B. J.
JOE DOLAN
Mayor of Seaside
Dedicated - Aggressive - Experienced



Candidate for the office of
MAYOR
BERNARD JOSEPH DOLAN, JR.
Age: 49
Occupation: Retired Military
Education and Qualifications: Three year college level. Two years ago I pledged that I would strive for fairness, equality, and harmony. We have achieved much based on mutual respect. If only people will try harder to work together for the common interest of all, I believe the years ahead willl show even greater promise than they do today. I put great reliance on our young people. They must become involved more and more; many of them seek this. Many of them have ability, imagination, and can get things done. That is why I continue to concentrate so much on developing the capabilities of our young people, so that they can carry on in a capable manner with what we are trying to do. Likewise there are many retired people who can be of tremendous assistance in so many ways throughout our city in keeping our momentum moving. They want to be involved actively, and we should use their experience and knowledge. Add all of this together, and assuming we can continue our momentum, the sky's the limit. Seaside's community and business image have changed tremendously! I'm proud of Seaside. We must maintain harmony, brotherly love, and understanding. With GOD'S help, we'll continue these goals.

s/Bernard J. Dolan, Jr.

MAYOR	Vote for One

VOTE FOR MAYOR B.J. DOLAN on MARCH 5

C of C Progress Report

by Verlaine Crawford

The Chamber of Commerce is actively pursuing new goals and is ready to begin new programs for the Community of Seaside. The past two months have been difficult for the Chamber, since I had been in an accident in November causing major neck and back problems. Finally, I am feeling better and am ready to help make 1974 a great year.

The number one priority of the Chamber this year is to increase membership. We now have 210 members. We would like to double that in '74. Investing in the Seaside Chamber helps you to have a voice in the community and gives you a place where fellow business people, professional people and residents may meet to discuss problems and discover solutions.

This past month has been devoted primarily to organization and we have developed the following organization for the Cham-:

EXECUTIVE COMMITTEE - President Bill Brown; 1st Vice President **Bob McCauley**; 2nd Vice President, Carl Oliver; 3rd Vice President Walter Norwick; Secretary Mark Sincoff and Treasurer Dick Penrose.

MEMBERSHIP COMMITTEE — Chairman, Bob McCauley, Cardinal Moving and Storgae; SubCOMMITTEE, Ambassadors (Membership Socials) - **Cecil Bindel**, Cecil's Ice Cream; **Fred Tardy**, Gateway Liquors; **Marvin Nicely**, State Farm Insurance; **John Logan**, Cypress Press; **Rowena Cohan**, Cablevision.

General Membership Meetings (Quarterly) - **Joe Ferreira**, UCB: Rev. Corley; Lou Haddad, Wagon Town.

SPECIAL EVENTS & MERCHANTS COMMITTEE - Chairman **Carl Oliver**, H & H Supply.

Sub-Committees are **Business Promotion** with **Helen Reimer**, Broadway Florist and Emporium and **Ed Fisher, Security Saving and Loan.**

Military Affairs with Lou Haddad, Wagon Town; **Ray Stepniak**, MBS: Col. Kerker.

Pancake Breakfast - **Craig Campbell**, Salinas Auto Stereo; and **Parade - Joe Ferreira**, UCB.

CIVIC AND SOCIAL AFFAIRS COMMITTEES - Chairman **Walter Norwick**, Walter's Fashions.

Sub-Committees - **Government Affairs** with **Bud Houser**, Butt's Pontiac/Cadillac; **Carter Stanley**, Monterey Bay Collection Agency; **Oscar Lawson**, Cecil's Pizza Pub.

Youth Committee (Junior Achievement) — **Larry Nelson**, Wells Fargo Bank; **David Cathcart**, Aquaris Waterbeds; **Jim Wester**, Wester Volkswagen.

Homeowners Association Allinace - Bernard Miller and Ted Cunningham.

Law & Order - Dick Challis, Seamont Real Estate; **Fred Ferguson**, American; **Richard Waters**, Oceanview Cablevision.

Senior Citizens - Fred Tardy, Gageway Liquors.

BUSINESS DEVELOPMENT - Chairman **Jim Wester**, Wester Volkswagen. Sub-Committees include: Bus Transpotation, Parking and Zoning and Beautification. Internal Organization of the Chamber also included Membership Dues Revision and a new budget prepared by our Treasurer, **Dick Penrose**, Seaside Rexall Drug Store. Plus a revision of the ByLaws of the Chamber which is being handled by Mark Sincoff, Secretary, Attorney in Seaside.

If you would like to become involved in Chamber Activities, now's the time. We can use you on any of the committees - none are closed - all are open for joining. Let mew know at the Chamber, 394-6501.

Send W-2 Form With State Tax Returns

Many taxpayers are failing to attach a copy of all their W-2 forms to the face of their State income tax returns, Martin Huff, Executive Officer of the Franchise Tax Board, said recently.

"Since State income tax is withheld from wages, taxpayers must attach a copy of their W-2 to the State income tax return to receive credit for the amounts withheld," Huff said.

In order to expedite refunds, Hugg also urged taxpayers to verify that their social security number is correct.

Refund returns should be mailed to the Franchise Tax Board, P.O. Box 13-540, Sacramento, California 95813.

Letter To The Editor

Editor:

Occasionally one reads a letter in the press from some outraged soul. Angry at what? Why, mighty upset that the District Attorney's office and the police raided some **miserable excuse for a theatre!** Yes, a "move-house" showing degrading films, dishing up degeneracy as if it offered the hope of a better tomorrow. (Some will engage in any "business" to make a fast buck!)

As if anyone with a brain that functions and some sense of decency does not know the lesson of history. That it has been proven a million times or more that such extrolling of dissipation can only lead to tragedy for the individual and society. That bestiality is not what makes one a person of dignity, compassion, constructive and law-abiding. Nor does it insure a desireable society where one respects oneself and others.

"I am free, this is a democracy, the Constitution guarantees my right to see what I want, do as I want," cry such letter writers with eyes filled with crocodile tears. They mistake a democratic society for an anarchistic one. In the latter, a person could do as one wanted - to heck with the consequences. There are such socieites; the anarchistic society could not work out at all. The savages would enslave all the rest in short order.

Freedom should never mean irresponsibility! Let no silly soul try to fool us by saying: "Pornography is ADULT MOVIES!" I am an adult, soon will be 70, and together with most adults of whatever adult age, I say: trash is trash! The nerve of anyone cynically describing degnerate movies ad "adult." More properly, such movies could be called: INSAND-BEHAVIOR MOVIES. Have some people a sufficient degree of mental health? Do they know the normal form of abnormal? Have they any worthwhile standards? Is wallowing in the "mud" like a pig their aim in life?

Sincerely,
George Herman,
Marina

ORDINANCE NO. 441
DESIGNATING LAGUNA GRANDE UNDERGROUND DISTRICT PHASE I AS AN UNDERGROUND UTILITY DISTRICT OF THE CITY OF SEASIDE
THE CITY COUNCIL OF THE CITY OF SEASIDE does ordain as follows:

Section 1. Pursuant to Ordinance No. 318 of the City of Seaside, a public hearing was called for **February 7, 1974,** at the hour of 8:00 p.m., in the City Hall, Seaside, California, to ascertain whether the public necessity, health, safety, or welfare requires the removal of poles and overhead wires and associated overhead structures and the underground installation of wires and facilities for supplying electric, communication, or similar or associated service within the Laguna Grande Underground District Phase I shown on the map, Exhibit "A", on file in the Office of the City Clerk, and described generally in words in Exhibit "B" attached hereto and incorporated herein by reference as fully as if set forth verbatim.

Section 2. Notice of such hearing has been given to all affected property owners as shown on the last equalized assessment roll and utilities concerned in the manner and for the time required by law; and

Section 3. Such hearing has been duly and regularly held, and all persons interested have been given an opportunity to be heard.

Section 4. The City Council of the City of Seaside does hereby find that the public necessity, health, safety, or welfare requires the removal of all poles and overhead wires and associated overhead structures and the underground installation of wires and facilities for supplying electric, communication or similar or associated service within the Laguna Grande Redevelopment Project Area shown on the map, Exhibit "A", on file in the Office of the City Clerk, and described generally in words in Exhibit "B".

Section 5. Pursuant to Ordinance No. 318 of the City of Seaside the Laguna Grande Underground District Phase I described in Section 1 of this ordinance is hereby established.

Section 6. The City Council does hereby order the removal of all poles and overhead wires and associated overhead structures and the underground installation of wires and facilities for supplying electric, communication, or similar or associated service within Laguna Grande Underground District Phase I on or before **October 31, 1974,** and does hereby fix **October 31, 1974,** as the date on which affected property owners must be ready to receive underground service.

Section 7. The City Clerk of the City of Seaside is hereby instructed to notify all affected utilities and all persons owning real property within Laguna Grande Underground District Phase I of the adoption of this ordinance within ten (10) days after the date of such adoption. Said City Clerk shall further notify said property owners of the necessity that, if they or any person occupying such property desire to continue to receive electric, communication, or similar or associated service, they or such occupant shall provide all necessary facility changes on their premises so as to receive such service from the lines of the supplying utility or utilities at a new location, subject to applicable rules, regulations, and tariffs of the respective utility or utilities on file with the Public Utilities Commission of the State of California. Such notification shall be made by mailing a copy of this ordinance, together with a copy of said Ordinance No. 318, to the affected utilities and to affected property owners such as are shown on the last equalized tax roll of the county of Monterey.

Section 8. Laguna Grande Underground District Phase I herein created is in the general public interest for the following reasons.
a. The undergrounding to be accomplished will avoid or eliminate an unusually heavy concentration of overhead distribution facilities.
b. The streets, roads, or rights of way in the District are extensively used by the general public and carry a heavy volume of pedestrian or vehicular traffic.
c. The said streets, roads, or rights of way adjoin or pass through:
1. The entrance to the city
2. An area of unusual interest to the general public.

All ordinance or resolutions or parts of ordinances or resolutions in conflict herewith are hereby repealed insofar as they conflict with this ordinance.
This ordinance shall be published once after its passage in the **Seaside News-Sentinel** and shall be in force and take effect thirty (30) days from and after its passage and approval.
INTRODUCED this **7th day of February, 1974.**
PUBLIC HEARING HELD the **7th day of February, 1974.**
PASSED AND ADOPTED at a regular meeting of the City Council of the City of Seaside duly held on the **21st day of February, 1974** by the following vote:
AYES, Councilmen: Barton, Ross, Cota, Olea and Mayor Dolan
NOES, Councilmen: None
ABSENT, Councilmen: None
By: **B. J. Dolan, Jr. Mayor of the City of Seaside**
ATTEST:
Dudley N. Lpaham
City Clerk of the City of Seaside

EXHIBIT "B" TO ORDINANCE NO. 441
LAGUNA GRANDE UNDERGROUND DISTRICT NO. 1
The area bounded by State Highway 218 between Sonoma Avenue on the South, the Freeway (Route 1) overcrossing on the North and on the East and West of State Highway 218 by an average depth of 150 feet from the centerline of State Highway 218, South Del Monte Boulevard and all that portion of Seaside between the boundaries of Monterey and Sand City North of the Southern Pacific Railraod. Reference is made to the Map on file in the Office of the City Clerk.
